

KAIRABA BODRUM PRINCESS & SPA

Are you looking for a coastal escape that is also rich in history? KAIRABA Bodrum Princess & Spa is the type of destination that can offer you this particular mix. The hotel is located on the beach and only 1 km from Turgutreis city center. It is also only 20 km from the city of Bodrum a municipality with more than a millennia of interesting history. KAIRABA Bodrum Princess offers Ultra-All-Inclusive basis allowing our guests to enjoy all the luxuries of a 5-star hotel at a more than accessible price.

As a guest, you will be able to enjoy great culinary pleasures at our all day dining restaurant, where our top notch chefs prepare all sorts of delicious Turkish and international dishes. Taste refreshing cocktails at any of our three bars as well as enjoy the water-based pleasures expected from a seaside vacation including a refreshing dip at either our indoor or outdoor swimming pool or the cool Mediterranean, if you prefer. You may also enjoy spa treatments at our Spa, if you are looking for a complete relaxation experience.

There is also plenty to do outside within close proximity to our hotel.

For example, Turgutreis is a town with more than 5 kilometers of sandy beach. Visitors can shop as well enjoy lots of waterfront restaurants and bars. There are also up to 14 Turkish islets near Turgutreis as well as the Greek is-lands of Kos and Kalimnos. The resort town also has a marina, a place where guests can admire beautiful yachts as well as consider taking a ferry service to other nearby areas, such as Kos.

Are you looking for a more cultural escape?

As stated previously, KAIRABA Bodrum Princess & Spa is near Bodrum. The latter is a city that stands where the ancient city of Halicarnassus of Caria once stood. The once home of the Mausoleum of Halicarnassus, one of the 7 ancient wonders of the world. The ruins of this ancient site used to house the remains of Mausolus, ruler of Caria. The term mausoleum comes from this once impressive structure, which is now commonly used to refer to any grand tomb. Halicarnassus was also a city which Alexander the Great laid siege to in 334 BC and where in the 1400s the Knights Hospitalier's built Bodrum Castle with rocks from the Mausoleum of Halicarnassus. Bodrum is thus a fascinating city for any admirer of ancient history and for travelers who enjoy excursions amongst ancient ruins.
